# COMPOSITE OVERLAY

## The Look of Wood Without the Upkeep

For homeowners who want the look of wood without the upkeep, composite overlay doors are an excellent choice. Our faux-wood doors are constructed with an insulated steel base door for strength and durability and topped with a moisture-resistant composite overlay molded from natural wood boards. This gives the doors their realistic grain patterns and textures while keeping them low-maintenance. Like wood, the doors can be painted, and in most instances, stained, for a look that is distinctly yours.

## 4-LAYER CONSTRUCTION

Another beautiful, low-maintenance alternative to real wood is the Canyon Ridge® Carriage House 4-Layer faux-wood garage door. Similar in style and construction to its 5-Layer counterpart, it also has an energy-efficient Intellicore® polyurethane insulated steel core topped with Clear Cypress composite overlays to create a carriage house design. The 4-Layer door has fully visible steel panels that can be finished in Ultra-Grain® for a stained wood-look or painted a solid color to match your home.

- 1 COMPOSITE OVERLAY
- 2 STEEL WITH ULTRA-GRAIN® FINISH (SHOWN) OR SOLID COLOR STEEL
- 3 2" INTELICORE® POLYURETHANE INSULATION
- 4 STEEL

## STYLE AND CONSTRUCTION

- 4-layer, steel and composite overlay doors with Intellicore® polyurethane insulation. 18.4 R-value.
- Insulated glass options include clear, frosted, seeded, rain and obscure. See page 16 for details.
- Removable clip-in window grilles for easy cleaning.
- Spade lift handles and step plates included. See page 17 for more options.

*Calculated door section R-value is in accordance with DASMA TDS-163. Canyon Ridge® doors not applicable for new construction in California areas designated as "Fire Hazard Severity Zones".*

## DESIGN CONSIDERATIONS

- Two-tone color options available. To view all options, visit: [dis.clopay.com](https://dis.clopay.com).
- Custom designs available. See your Clopay Dealer for more information.
- Attractive beveled edge, clip-in window grilles are removable for easy cleaning.
- Replaceable vinyl bottom weatherseal in a corrosion-resistant retainer helps seal out the elements.
- 10-ball nylon rollers for quiet operation.
- Heavy-duty 14 gauge steel hinges for long-lasting performance.
- Clopay's Safe-T-Bracket® prevents serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- WindCode® built-in door reinforcement available for high wind load applications. Learn more at: [www.clopaydoor.com/residential/windcode-residential-information](https://www.clopaydoor.com/residential/windcode-residential-information).
- Canyon Ridge® garage doors are not applicable for new construction in California areas designated as "Fire Hazard Severity Zones".

## FINISHING AND CARE

Proper care and maintenance are imperative for long-term performance and appearance of Canyon Ridge® garage doors. Periodic inspection and maintenance of the composite cladding and overlays are required. Minor expansion and contraction is normal for exterior building materials exposed to direct sunlight and is not considered a defect. Complete finishing and maintenance instructions are provided with the door and are also available from your Clopay Dealer or online at [www.clopaydoor.com](https://www.clopaydoor.com).

## ENVIRONMENTAL ASSURANCE

Clopay doors are compliant with environmental laws and regulations and do not contain HFCs.

- California SB 1013
- New Jersey A-5583/S-3919 – Greenhouse Gas Bill
- Washington HB 1112 – Hydrofluorocarbon Greenhouse Gas Emissions
- Canadian regulations amending the ozone-depleting substances and halocarbon alternatives regulations
- Product complies with 2015 IECC air infiltration requirement of 0.40 cfm/ft<sup>2</sup> or less (IECC, Section C402.5.2)

Visit [clopaydoor.com](https://www.clopaydoor.com) or call 1-800-2CLOPAY (225-6729) for more information on Clopay, America's Favorite Garage Doors.
